Holzfronten.

Wooden doors – Façades – Keukenuitrusting

Küchen mit Holzfronten sind aus der Mode? Von wegen! Das Sortiment von Rotpunkt Küchen umfasst nicht nur hochwertige Echtholz-Fronten, sondern auch verschiedene Küchenfronten in Holzoptik. Bei den Echtholz-Fronten haben Sie die Wahl zwischen unserer Classic Line, Forest Line, Split Line und Oak Line. Dabei steht jede Linie für ein unverwechselbares Frontendesign – durch natürliche Maserungen und Astlöcher. Kreieren Sie durch die Frontenvielfalt einen rustikalen Landhaus-Stil oder einen modern-reduzierten Look Ihrer Holzküche.

Kitchens with wooden fronts are out of fashion? Far from it! The Rotpunkt Küchen product range not only includes high-quality real wood fronts, but also various kitchen fronts with a wood look. For real wood fronts, you can choose between our Classic Line, Forest Line, Split Line and Oak Line. Each line features a distinctive front design – with natural grain and knotholes. Use the variety of fronts to create a rustic country house style or a modern, minimalist look for your wooden kitchen.

Les cuisines avec des façades en bois ne sont plus à la mode ? Détrompez-vous ! L'assortiment de Rotpunkt Küchen ne comprend pas seulement des façades en bois véritable de qualité supérieure, mais aussi différentes façades de cuisine à l'aspect bois. Pour les façades en bois véritable, vous avez le choix entre notre Classic Line, Forest Line, Split Line et Oak Line. Chaque ligne est représentative d'un design de façade unique – grâce aux veinures naturelles et aux trous de nœuds. Créez un style rustique de maison de campagne ou un look moderne et épuré pour votre cuisine en bois grâce à la diversité des façades.

Keukens met houtfronten uit de mode? Meent u dat nou echt? Het assortiment van Rotpunkt omvat niet alleen hoogwaardige fronten van echt hout, maar ook diverse keukenfronten met houtlook. Bij de echt houten fronten heeft u de keuze uit onze Classic Line, Forest Line, Split Line en Oak Line. Elke lijn heeft zijn eigen onmiskenbare frontdesign door de natuurlijke houttekening en knoesten. Creëer met de verschillende fronten een rustieke landhuisstijl of een moderne, sobere look voor uw houten keuken.
